DETAILED ACTION

Response to Amendment

1. The reply filed on 9/13/04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The applicants failed to distinctly and specifically point out the supposed errors in the examiner's action and failed to reply to every ground of rejection in the prior Office action. The applicants failed to specifically point out the supposed errors in the rejection of claims 1-25, 45, 46, 52-56 and 105-108 made under 35 USC 112, second paragraph. See 37 CFR 1.111.

The applicants merely stated, "It is Applicant's understanding that claims 1-16, 17-19, 22-25, 45, 46 and 105-108 clearly set forth and distinctly claim the subject matter which Applicant regards as invention. Additionally, it is Applicant's understanding that the claims are sufficient definitive to insure that the scope of the claims is clear to the public and that they are informed of the boundaries of what constitute infringement of them."

The statement of the Applicant's understanding is not a proper response to the rejection because the rejection pointed out specific deficiencies of the claims, but the applicants failed to distinctly and specifically point out the supposed errors in the examiner's action and failed to reply to every ground of rejection.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever

is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
